

Charlotte Technical Center

Dual Enrollment Estimated Program Costs

Charlotte Technical Center offers career and technical training programs to Charlotte County high school students at no charge for tuition, textbooks, or lab fees. Students are responsible for uniforms, classroom materials, required health or background checks, and industry testing. The following is an **estimated cost** for specific programs for all dual enrolled students for general financial planning purposes and is **not** intended to serve as a "fee statement" for new students.

We understand that as a dual enrolled high school student, my son/daughter is not responsible for paying tuition, textbooks, and lab fees and we understand that we are responsible for the costs of uniforms, supplies, industry testing, and health requirements associated with the program enrolled in. The above costs are only an estimate of the actual costs that may be incurred. Fees are subject to change. Financial assistance is available for those who qualify.
